**Japan-Denmark Relations  
Visit by the Environment Committee of the House of Representatives**

The Environment Committee of the House of Representatives of Japan, headed by Ms. Shinako Tsuchiya, will come to Denmark on the 3<sup>rd</sup> of September to exchange views on environmental policies between Denmark and Japan. The delegation is expected to make the following visits.

- Environment Committee of the Danish Parliament
- Ministry of Climate, Energy and Building
- The Danish Agriculture & Food Council
- Danish Wind Industry Association
- Amager Resource Centre
- Middelgrunden Wind Farm

Mr. Toshio Sano, the Japanese Ambassador to Denmark, stressed in his statement that the visit of the Environment Committee will play a vital role in strengthening bilateral relations in the environmental area and it will further contribute to the development of sustainable energy solutions on a global scale.

The delegation will arrive in Copenhagen on the 3<sup>rd</sup> of September and leave on the 5<sup>th</sup> in the evening.
